Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan.

- We have adopted preferences that give priority to elderly and/or disabled residents of Clayton County and to working families who are residents of or are employed in Clayton County;
- In our Section 8 Program we have adopted an aggressive screening policy. We are screening applicants to the fullest extent allowable while not taking away the ultimate responsibility from the landlord. Our screening practices meet all fair housing requirements.
- We have established a minimum rent of \$50 for our Section 8 program.
- We are utilizing the published FMRs as our payment standard for the Section 8 program.
- We have adopted an aggressive screening policy for our public housing program to ensure to the best of our ability that new admissions will be good neighbors. Our screening practices meet all fair housing requirements.
- We have established a minimum rent of \$50.00 for our public housing program.
- We have established flat rents for all of our public housing units.
- We are in the process of fully utilizing the Community Development Block Grant funds provided by Clayton County to renovate and upgrade our public housing units and to provide playground equipment for our Resident's children.

**Summary of Program Changes**

During this past year we have made numerous changes to our policies and/or programs based on changes in statutes and/or HUD regulations that have occurred in the past year. HUD mandated all of these.

- Implementation of Community Service Requirements:

The Department of Veteran Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 2002, at Section 432, provides that: “None of the funds made available by this Act may be used to implement or enforce the requirement relating to community service, except with respect to any resident of a public housing project funded with any amount provided under section 24 of the United States Housing Act of 1937, as amended, or any predecessor program for the revitalization of severely distressed public housing (HOPEVI).

Under this provision, Housing Authorities are precluded from implementing or enforcing community service requirements using FY 2002 funds. HUD further permits Housing Authorities to immediately suspend enforcement of the requirements.

The Housing Authority of the City of Jonesboro has suspended enforcement of the 8-hour community service requirement. The Housing Authority will not enforce this provision of our Admissions and Continued Occupancy Policy so long as Congress provides for the option to not enforce it. In taking this action, we still want to encourage our public housing residents to both participate in their community and enhance their self-sufficiency skills in a truly voluntary manner.

All affected residents have been notified of the suspension of the following requirements.

We have also made the following discretionary change.

- Occupancy by police officer to provide security for public housing residents:

The Housing Authority of the City of Jonesboro has provided a public housing unit to a Jonesboro police officer. The officer resides in Dwelling Unit 313. The officer is provided housing at \$25 per month. The occupancy is needed to increase security for public housing residents.

In summary we are on course to improve the condition of affordable housing in Clayton County and Jonesboro, Georgia.

### **(3) Search Time**

a. ☒ Yes ☐ No: Does the PHA give extensions on standard 60-day period to search for a unit?

If yes, state circumstances below:

The following is an extract from our adopted Section 8 Administrative Plan.

#### **6.4 Term of the Voucher**

The initial term of the voucher will be 60 days and will be stated on the Housing Choice Voucher.

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will not exceed 120 calendar days from the initial date of issuance without an extraordinary reason. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or 60 days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full 120 days search time. If the Housing Authority determines that additional search time would be a reasonable accommodation, the Housing Authority will request HUD to approve an additional extension.

Upon submittal of a completed request for approval of tenancy form, the Housing Authority of the City of Jonesboro will suspend the term of the voucher. The term will be in suspension until the date the Housing Authority provides notice that the request has been approved or denied. This policy allows families the full term (60 days, or more with extensions) to find a unit, not penalizing them for the period

during which the Housing Authority is taking action on their request. A family may submit a second request for approval of tenancy before the Housing Authority finalizes action on the first request. In this case the suspension will last from the date of the first submittal through the Housing Authority's action on the second submittal. No more than two requests will be concurrently considered.

#### **(4) Admissions Preferences**

### 5.1 WAITING LIST ADMISSIONS AND SPECIAL ADMISSIONS

The Housing Authority may admit an applicant for participation in the program either as a special admission or as a waiting list admission.

If HUD awards funding that is targeted for families with specific characteristics or families living in specific units, the Housing Authority of the City of Jonesboro will use the assistance for those families.

### 5.2 Preferences

The Housing Authority of the City of Jonesboro will select families based on the following preferences within each bedroom size category:

- A. Elderly and/or Disabled Residents of Clayton County;
- B. Working Families who are residents of or are employed in Clayton County;
- C. Elderly and/or Disabled non-residents of Clayton County;
- D. Working Families who are non-residents of or are not employed in Clayton County;
- E. All other applicants who are residents of Clayton County; and
- F. All other applicants who are non-residents of Clayton County.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income, the Housing Authority of the City of Jonesboro retains the right to skip higher income families on the waiting to reach extremely low -income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low -income families on the waiting list we will conduct outreach on a non -discriminatory basis to attract extremely low -income families to reach the statutory requirement.

3. If the PHA will employ admissions preferences, please prioritize by placing a "1" in the space that represents your first priority, a "2" in the box representing your second priority, and so on. If you give equal weight to one or more of these choices (either through an absolute hierarchy or through a points system), place the same number next to each. That means you can use "1" more than once, "2" more than once, etc.

### 15.6 Interim Reexaminations

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families are required to report the following changes to the Housing Authority of the City of Jonesboro between regular reexaminations. - B. A household member is leaving or has left the family unit.

Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Housing Authority of the City of Jonesboro will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to

be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Housing Authority of the City of Jonesboro will take timely action to process the interim reexamination and recalculate the tenant's rent.

When the Jonesboro Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit, and whose income category would help to meet the income targeting goal.

The Jonesboro Housing Authority will contact the family by mail to make the unit offer. The family will be given ten (10) calendar days from the date the letter was mailed to contact the Jonesboro Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Jonesboro Housing Authority will send the family a letter documenting the offer and the rejection.

#### 10.6 Rejection of Unit

If in making the offer to the family the Jonesboro Housing Authority skipped over other families on the waiting list and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Jonesboro Housing Authority did not skip over other families on the waiting list to reach this family, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

### **Housing Authority of the City of Jonesboro**

### **Fiscal Year 2002 Agency Plan**

### **Resident Assessment Follow Up Plan**

#### **OVERVIEW/BACKGROUND**

*The results of the Resident Service and Satisfaction Survey conducted during Fiscal Year 2001 indicate that the Housing Authority of the City of Jonesboro received a score of 67% under the Communication Section and 67% under the Safety Section. As a result, we are required to include this Resident Assessment Follow-up Plan along with our PHA Annual Plan for our fiscal year that begins on October 1, 2002.*

Our Authority is interested in addressing any and/or real or perceived concerns that the residents may have regarding communications, neighborhood appearance, services, maintenance and repair and safety. We will strive to make any necessary and appropriate improvements to our management operations, our maintenance policies and practices and in our modernization plans that are in the best interests of our residents, the Housing Authority and the community.

#### **RESIDENTS SURVEY**

We determined that our best course of action was to discuss all five (5) of the elements of the Resident Service and Satisfaction Survey with the residents that were in attendance at the Resident Advisory Board meetings held as a part of our Agency Plan development process.

Our Resident Survey Follow-up Plan consists of the following steps:

#### **STEP ONE: CONDUCT MEETINGS WITH THE RESIDENT ADVISORY BOARD**

Action: Meet with the Resident Advisory Board and discuss their concerns regarding any of these sections outlined in the Survey.

#### **STEP TWO: DOCUMENT COMMENTS RECEIVED IN THE PHA PLAN**

Action: Document comments received (if any) from the residents in the PHA Plan.

### **STEP THREE: ADDRESS THE COMMENTS RECEIVED**

Action: Address the comments received (if any) from the residents in the PHA Plan.

### **JONESBORO HOUSING AUTHORITY GOALS AND OBJECTIVES**

The Jonesboro Housing Authority has adopted goals and objectives that address resident concerns regarding communications and security. They are as follows.

**GOAL: ENHANCE THE MARKETABILITY OF THE JONESBORO HOUSING AUTHORITY'S PUBLIC HOUSING UNITS**

Objective:

1. The Jonesboro Housing Authority shall achieve a level of customer satisfaction that gives the agency the highest score possible in this element of the Public Housing Assessment System for the Fiscal Year ending September 30, 2005.

**GOAL: PROVIDE A SAFE AND SECURE ENVIRONMENT IN THE JONESBORO HOUSING AUTHORITY'S PUBLIC HOUSING DEVELOPMENT**

Objectives:

1. The Jonesboro Housing Authority shall reduce crime in its development by September 30, 2005.
2. The Jonesboro Housing Authority will develop a memorandum of understanding between the Jonesboro Police Department and this agency. The purpose is to better define the "edge problem" of crime that occurs near our development and develop strategies for identifying and reducing this problem. This objective will be accomplished by September 30, 2003.
3. The Jonesboro Housing Authority shall reduce its evictions due to violations of criminal by 95% through aggressive screening procedures. This objective will be accomplished by September 30, 2005.

### **ACTION ITEMS**

#### **Communication**

- The Housing Authority of the City of Jonesboro will continue to seek resident involvement in the development of both an annual and long-range plan for the modernization of its public housing units and site improvements.
- We have updated our written policies and procedures, including the Admissions and Continued Occupancy Policy, Grievance Procedure, and Dwelling Lease. We have adopted a Pet Policy for our public housing family units. The Resident Advisory Board has been given the opportunity to provide comments and recommendations regarding each of the policies.
- We attempt to hold periodic meetings with residents and with our Resident Advisory Board to discuss their concerns regarding all elements of the survey including maintenance and repair, communication, safety, services, and neighborhood appearance. Residents are encouraged to express their concerns. Residents will continue to be encouraged to actively participate in activities that promote the overall wellbeing of the development.

### **Safety**

- The Housing Authority of the City of Jonesboro has budgeted for numerous physical improvements in the Capital Fund that will enhance and improve resident perception of security and safety.
